LET US INTRODUCE YOU TO...

In October 2017, a very special family embarked upon the East Texas sandy soil of Salmon Lake Park, here in Grapeland. Upon their first visit to the park, David and Leah Powers were in for a grand, yet eye opening experience they would soon come to know as "home". From Jacksonville, TX., northeast of Grapeland, this family has embraced their new home with vigorous enthusiasm and joy. They bring with them a contagious love for God, a hope for their future and a whole slew of kids that love to work !

The Powers family consists of 9 children, 7 of whom live and work beside them here, and two who are grown and married.

David and Leah have embraced and appreciate what Floyd and Fannie began here at Salmon Lake Park. The Salmons had a vision; one that's not complete. But through David and Leah's support and recognition of their dreams, they plan to carry on and continue what Floyd and Fannie created. Salmon Lake Park will continue to be exactly what it was intended to be; a family fun campground and an RV Park to include the annual Bluegrass Festivals during Memorial Day and Labor Day weekends.

*Please welcome and make comfortable our new owners of Salmon Lake Park: David and Leah Powers (*plus children)*
